- Brought key men from the project to explain in further details, his designs.
- If he cannot get the zone change, can't do project.

CDS Housing, Zone Change Application, East side of Van Buren Rd across from Caserta Dr., in a PUD, Tax ID: #031.-03-06 & #031.-03-07. *(Representation from CDS Housing showed up and was able to present to the board.)*

Scott Freeman-Site Plan Approval for Brolex

- Housing is unchanged.
- 3 road-crossing points with one main road entering and exiting subdivision for emergency vehicles.
- Density layout/Water test good.
- Green space in the middle. (protected-artifacts) Can add walking spaces.
- Going to add some plaques to honor the historical area.

Engineer for Brolex

- Working on making parking better.
- Need to fix the plan with the apt number.
- Road cross would affect National Grid; they will dictate where these would go.
- Storm water get into once the density is set. Layouts, soil pipes. Can implement different infiltration pipes, which can reduce the size of some storm water drainpipes.

Meeting Minutes Continued

NOT ON THE AGENDA:

The board allowed:

Peter Raimond

Owner of CNY Sports Center

Coby Grunder

Neighbor right next to the
Sportscenter

Subject: to speak on the subject
of Coby being able to reduce
the setback requirement in the
PUD from 60ft minimum to add
a garage.

Resolution must be made by
discussing if they want to
move forward with this
request, with the
understanding that it could
cause more issues to come up
that may need some attention
and could cause potential
problems in the future.

**Next Zoning and Planning
Board Meeting:**

June 13, 2023 6:00PM.

Board concerns

1. Mr. Sykes does not like the idea of the apartments and wants there to be townhouses instead. Parking is an issue.
2. Mr. Bowes is concerned about the density and the flow of traffic. He does like the green spaces.

CDS Housing, Zone Change Application, East side of Van Buren Rd across from Caserta Dr., in a PUD, Tax ID: #031.-03-06 & #031.-03-07.

Al Yager-engineer representing CDS Housing.

- CDS would like to provide housing for those with disabilities. Lower income- not section 8. Uses tax credits to lower rental cost.
- There are 16 units altogether.

Considerations before moving forward/Board concerns.

1. Double the parking according to OPWD Housing Standards
2. Traffic study/Lighting/landscaping
3. Storm water concerns
4. Snow removal- will we lose a lot of parking?
5. Mailboxes? Where will they be? Near Clubhouse?
6. Signage- Near the front?

Board all agrees this is a good and beneficial project and all agree with the density.

Chair make a motion to close the meeting.

Moved: Mr. Sykes

Second: Mr. Schanzenbach
