Note from the Director and Assistant Director:

Well let's see --- looks like fall is headed our way.

Back to school is right around the corner which means that the cooler weather will be showing up soon. We are hoping that you are all get the chance to come and take a look at the new look within our center. We received a senior center grant from the county and have had to spend the monies on updates to the look of the facility. Jeanne and I have been working hard to get the front offices an upgrade along with some new tables in the community room and the library as well as some new cabinets for the activities to mention a few. We will continue to research and further reach out for more grants in the future. On September 28th we are planning on having a sit-down breakfast at 10am. Everyone including family please sign up at the front desk.

We are also introducing our new Baldwinsville Veterans Outreach Coordinator; Jim Reynolds and we would love to connect anyone who needs help with him. We are looking to further improve and increase our number of daily activities so please reach out with any suggestions or ideas.

Thanks,

Rene' and Jeanne

Canton Community Crafters

The Canton Community Crafters are in full production. We have welcomed a couple of new members and are vigorously preparing for the shift in seasons and getting ready for our fabulous winter craft sale. We have had some great donations for woodworking and Crosstitch and fabric galore. If you come to the craft sale, you might even see something you've donated made into something beautiful. We have made 80 Christmas stockings to donate to the Christmas bureau. We have made fleece hats of all sizes and are ready to donate those. It won't be long before the snowflakes begin flying. We continue to donate infant hats, lap blankets and eye glass cases to Saint Joseph's Hospital. Canton Woods is the largest contributor to the St. Joe's Volunteer office. We are very proud of that!
